

LEAVING A MARK

STORIES OF THE UNSTOPPABLE JESUS

Mark 11:20-26

Praying Effectively

Praying effectively requires that we pray with a knowledge of five things:

1. Know what God has done.

Look back to your yesterday or yesteryear and remember how God has worked in the past.

2. Know who God is.

God always reveals Himself through His Word.

God often reveals Himself in our life.

3. Know what God requires.

**Without faith it is impossible to please God.
(Heb. 11:6)**

4. Know what God loves to hear.

God loves to hear us ask.

God loves to hear us say, “Your will, not mine.”

5. Know what God will never do.

**He will not listen to our request until we admit
our sin. (Ps. 66:18)**

**He will not forgive our sin until we forgive
others.**
